On-going Requirements for BRS Practitioners

Please confirm your commitment to the on-going requirements for practitioners, set out below, by signing and returning this statement with your renewal fees. Thank you.

1. I am currently in practice as a professional Rebirther.
2. I rebirth others for a fair exchange of value and have a motivation other than money or status.
3. I trust my intuition when working with clients.
4. I present conscious connected breathing, self-responsibility, thought is creative, innocence and spiritual purification to my clients.
5. I support myself and my clients in working with the unconscious death urge.
6. I express the truth about myself and my feelings to colleagues and clients and I teach my clients to do the same.
7. I agree to continue to be rebirthed (and to receive supervision /support and monitoring of my work with clients) on a regular basis.
8. I agree to contribute to the activities of the BRS, and when I apply for practitioner status I will describe what I have to offer.
9. I agree to inform the General Secretary of the BRS if at any time I cease to be actively involved in Rebirthing.
10. I take responsibility for sending my practitioner fee to the Membership Secretary to arrive by April 1st of every year.
11. I take full responsibility for my life and am now open to receiving love and support however this looks.

I confirm my commitment to meeting these requirements:
